

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. The shapes are primarily triangles and polygons, creating a dynamic, layered effect. The text is centered in a white space within this design.

# **Instructions for Submitting Images to the GSCCC Monthly Competitions**

- Login to your club's Visual Pursuits web page.
- Go to Competitions/Submit Images to Another Organization.

The screenshot shows a web browser window with multiple tabs open. The active tab is 'Louisiana Photographic Society' at the URL 'lps.photoclubservices.com/default.aspx'. The website header features the LPS logo and the text 'LOUISIANA Photographic Society'. A navigation menu is visible, with 'Competitions' selected. A dropdown menu is open under 'Competitions', listing various options including 'Submit Images to a Competition', 'Vote on Competition Images', and 'Submit Images to Another Organization'. The main content area displays the title 'Louisiana Photographic Society' and sections for 'Mission', 'Meetings', 'Classes', and 'Seminars'. The footer shows the URL 'https://lps.photoclubservices.com/Competitions/SubmitImagesToRegion.aspx'.

- ▶ Open GSCCC Competitions will be listed
- ▶ Click the Select button next to the Competition you want to enter.

**Submitting Images to Another Organization Competition**

If you belong to a council or other regional group, that group can create competitions that can receive submissions directly from your organization for their competitions. You may also be invited by an organization to participate in a competition. Use this page to submit entries directly to their competitions.

Use optional file name formats

Information on Optional File Name Formats

Use the "Select" button below to select one or more files to upload. On most browsers you can also drag and drop files onto the Select button. Use the "Select" button to add additional files. The upload process will start with each file as soon as you use the Select button. When all the files have been uploaded, as indicated by the green dot by each file name, click the "Save Images" button below.

Upload images belonging to this user: (Available only for Competition Managers)

Test User1

Please only upload only your own images. You will become the author of any images you upload and your images will be marked with your copyright. Avoid uploading duplicate images. Instead, reference your existing image in your Image Library.

After your images are uploaded into your library, references to those images will be automatically entered into your Competition.

**Competition Title:** Color Images (PIDC)  
**Competition Date:** Friday, May 23, 2025  
**Competition Type:** Color Images (PIDC)

2 additional images may be entered into this Competition.  
0 images have been entered into the Competition Level 'Open' for Test User1, User Id 3300323.  
The competition allows a maximum of 2 images from each author.

This website is hosted by Visual Pursuits, a service provided by Software Pursuits, Inc.

► If you name your images using the format: “image\_name~makers\_name” then be sure to check this box before uploading

► If not using the file name format, then select the makers name from this dropdown box.

► Click “Select” and navigate to the location on your hard drive where you have stored the images.

The images below have been saved into your image library. To replace an image, click it in your Image Library or from the Submit to Competition page after completing this page. Use the "Delete" checkbox to delete an image from your library.

Review these images and make any needed changes to the titles or other information. Click the "Save any changes..." button when you have finished all of your updates on this page so that your changes can be saved and, possibly, added to a competition or gallery. You will then return to the page where you started your upload.

Note that each image from an author must have a unique title. An Image Id may have been added to your original title to make it unique.

Do not upload duplicate images. Instead, you should reference the existing image from your image library. Image duplicates may have their data merged by the system, if detected after images have been processed.

After your images are uploaded into your library, references to those images will be automatically entered into your Competition.
